

Cox's Bay Boardwalk opening

The Waitematā Local Board invites you to join them for the opening of the newly-renovated Cox's Bay Reserve Boardwalk.

A key priority of the board has been to develop a Waitematā Greenways Plan, creating new and improved walkways and cycleways in the area.

Work on the boardwalk and bridge that link Richmond Road to West End Road within the Cox's Bay Reserve has seen the construction of new wooden structures, which have been widened from 1.5 metres to 2.5 metres to provide a safer shared connection for all users.

Where: Cox's Bay Reserve (either Richmond Road or Parawai Crescent entrances)

When: Saturday 15 June 2013, 11.30am-12.30pm
